role in the history of the Lackawanna Valley; Carbondale and the anthracite industry; Carbondale as seen from the outside, etc.).

If Friday the 27th of August is a bad day for the Executive Director of the LHS, perhaps the Executive Director can give a talk on the 23rd, 24th, 25th or 26th? We are very flexible and, it goes without saying, would be very honored if the Executive Director of the LHS can give a talk/presentation in Carbondale during Pioneer Days 1982.

Thank you again for your letter in support of the nomination of Carbondale City Hall to the state and national registers. We were recently informed that the building was placed on the Pennsylvania Inventory of Historic Places. At the PHMC's request, we are presently completing a nomination form on the building for the National Register.

We look forward to hearing from you and hope that your schedule is such that you will be able to speak in Carbondale during Pioneer Days 1982.

Sincerely yours,

S. Robert Powell
